

Configuration

The Anonymous bot is configured entirely from the [Xelyos Dashboard](#).

(2026-03-30) Currently, only the bot **owner** can access the configuration panel. Administrator access is under development.

Log channel & message framing

This section allows you to define:

- the **log channel** used by the bot;
- the **message frame** (visual elements surrounding each message sent by the bot).

General settings

Log channel:

log-anonymous-bot

Define a frame for messages before and after:

...

Example message

Update settings

To display messages without a frame, leave the **Frame** field empty.

Command restriction by channel

This section allows you to restrict the use of bot commands to **specific channels**.

Restrict command usage to certain channels
Select channels where commands are allowed:

<input type="checkbox"/> log-anonymous-bot	<input type="checkbox"/> all-in-one
<input type="checkbox"/> vos-avis	<input type="checkbox"/> arrivée
<input type="checkbox"/> règlement	<input type="checkbox"/> informations
<input type="checkbox"/> notre-équipe	<input type="checkbox"/> nos-solutions
<input type="checkbox"/> ouvrir-un-ticket	<input type="checkbox"/> entraide
<input checked="" type="checkbox"/> essayer-le	<input type="checkbox"/> discord-news
<input type="checkbox"/> discussion	<input type="checkbox"/> médias
<input type="checkbox"/> faire-une-demande	<input type="checkbox"/> <i>Bots-Co-Shop</i>

[Update settings](#)

If no channel is defined, commands can be used anywhere on the server.

Automatic message hiding

This feature allows you to **automatically hide** messages sent by the bot in the channels of your choice.

Cette fonctionnalité permet de **masquer automatiquement** les messages envoyés par le bot dans les channels de votre choix.

Automatically anonymize a message
Select channels to automatically anonymize:

<input type="checkbox"/> log-anonymous-bot	<input type="checkbox"/> all-in-one
<input type="checkbox"/> vos-avis	<input type="checkbox"/> arrivée
<input type="checkbox"/> règlement	<input type="checkbox"/> informations
<input type="checkbox"/> notre-équipe	<input type="checkbox"/> nos-solutions
<input type="checkbox"/> ouvrir-un-ticket	<input type="checkbox"/> entraide
<input checked="" type="checkbox"/> essayer-le	<input type="checkbox"/> discord-news
<input type="checkbox"/> discussion	<input type="checkbox"/> médias
<input type="checkbox"/> faire-une-demande	<input type="checkbox"/> <i>Bots-Co-Shop</i>

[Update settings](#)

Automatic hiding only applies to automatically sent messages.

Other bot commands remain fully usable in those channels.
