Channels

Joining a Channel

- **From the Homepage**
  - Enter the name of the channel you wish to join in the search bar.

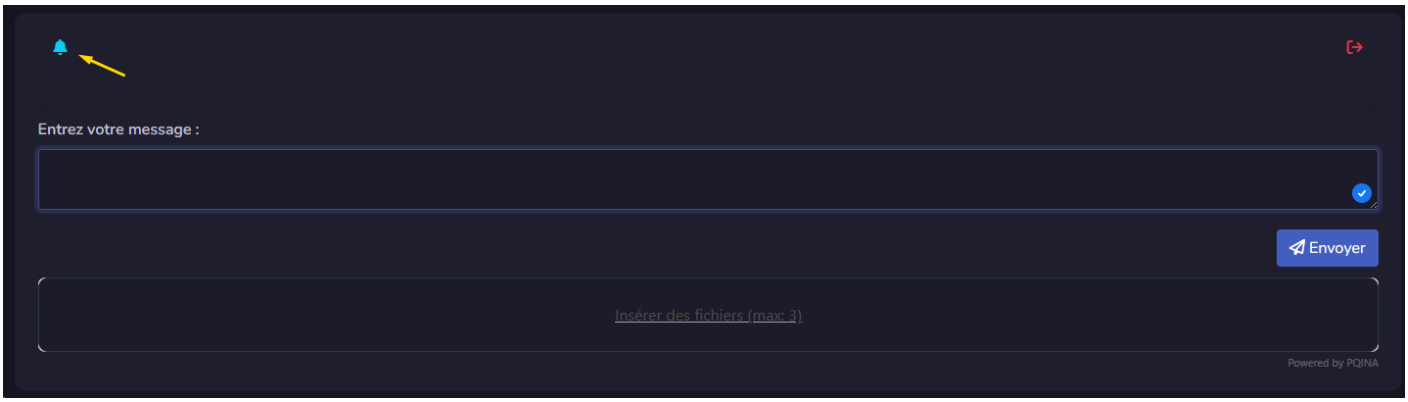

- **Access Messages**
  - Once you join a channel, you will gain access to its messages.
- **Channel History**
  - Any channel you join will appear in the history panel on the left side of the interface.

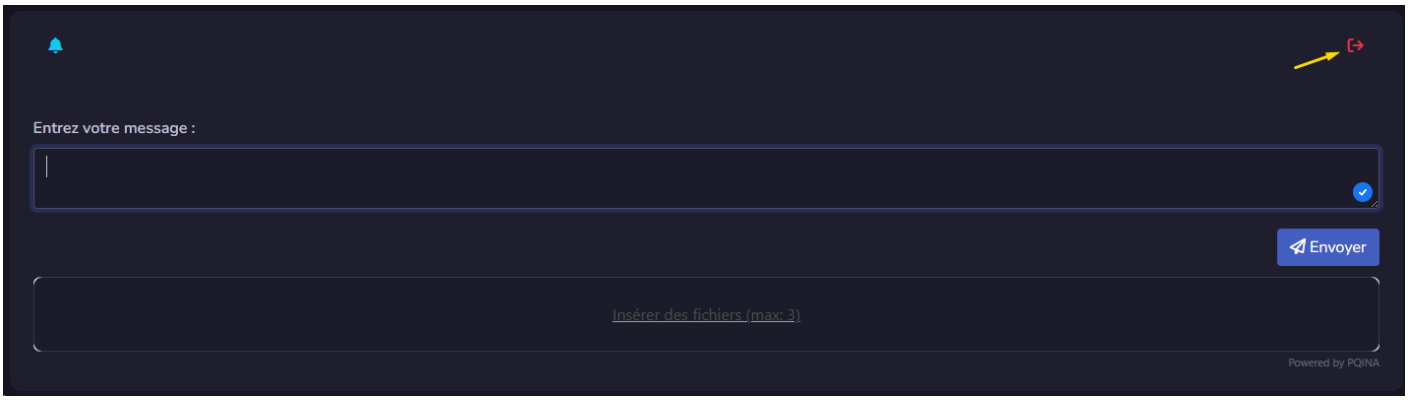

Actions Available in a Channel

Enable/Disable Discord Notifications

- Notifications are active from the moment you leave the channel.
- You will receive a notification whenever a new message is posted.
- If multiple messages arrive afterward, only one notification will be sent until you revisit the channel.

Leave the Channel
