Getting Started with Dark Chat

Accessing the Administration Panel

- The Dark Chat administration panel is accessible via the URL: **/admin**.

Setting the Rules

- Visit the URL **/admin/option** to write the rules for Dark Chat.
  - The rules must be written in **Markdown**, a format similar to the one used on Discord, allowing for simple and effective formatting.
  - These rules must be accepted by all Dark Chat users.

Retrieve the Application Image via URL

- Do you need the application's logo?
- You can simply use the following URLs:
  - **/logo**
  - **/logo.png**
